

Quail Run Farm is happy to announce that we will be hosting a **Ride A Test “RAT” on Saturday, September 28th**. Each rider will ride his or her selected test. The Judge will then advise and give a mini LESSON on how to improve the scores for each movement. The rider will then **re-ride the same test and be able to compare her scores**.

We are very happy to introduce our **JUDGE: LEXI LIND** who came recently from Washington State. Lexi has been working for several months with our riders at Quail Run Farm, who are all thrilled with their improvement due to Lexi’s ability to teach and her acute eye for detail. Lexi left a thriving cliental to move to our area with her husband Tom. We are so thrilled that she did so! Lexi is available to teach at QR and locally.

We are offering this wonderful introductory opportunity for riders to come and inexpensively Ride A Test On Saturday, September 28 and to improve their scores and also experience Lexi’s incredible teaching skills enhanced by her knowledge of human anatomy and sports therapy!

Lexi has been actively involved in the equestrian world since she was 8 years old. Lexi is a **US Pony Club A graduate, ICP Level 2 Certified Instructor** as well as an accomplished FEI 2*(current 3*) level rider. She holds multiple Preliminary and Intermediate USEA Area 7 championships, as well as multiple USEA Area 7, Rider of The Year awards.

Lexi has been fortunate enough to work under the tutelage of many top instructors: Amy Tryon, Derrek and Bea DiGrazia and currently with Rebecca Brown. Lexi also brings to the table a strong background in dressage where she has spent a good deal of time working with Dietrich Von Hoffgarten, Kim VonHoffgarten, and Jeremy Steinberg.

Along with her years of experience in the equestrian world Lexi also holds **2 Personal Training Certifications, ASFA, NCSF, and is also certified as a group fitness instructor**. This knowledge has allowed Lexi to add another dimension to her training and enhances her unique coaching and training style.
