

## Quail Run Farm, October 2019 Final Results.

**Dear Competitors their support teams, Judges and Volunteers.**

Thank you all for attending our Horse Trials on one of the prettiest days of the year!

Our computer was out of action after the storm on Sunday evening, hence the late THANK YOU. I do hope that you were not damaged by the storms.

**A big Thank You to Gloria Bedhun our Dressage judge**, who has announced that she will retire from judging in 2020. We are very sorry to be losing Gloria who has kindly and tactfully judged so many riders since the late seventies! We will miss you greatly! Gloria was inducted into **USDF. The Century Club** Hall of Fame, last year when Gloria and her mount competed in a dressage test with a combined age was 100 years! He was a very old horse! 😊 Congratulations!

Congratulations and thank you to all riders who competed last weekend! I know that we had a few riders who received Technical Eliminations. It always makes me sad when that happens! I do hope that you learned from your errors and it will not happen again! There were very few penalties throughout the competition!
